

Information for candidates who have taken a Cambridge English exam

If you have taken one of our exams we want to make sure you receive your result as quickly as possible. By registering for our [Candidates](https://candidates.cambridgeenglish.org) website (<https://candidates.cambridgeenglish.org>) you will be able to view your results as soon as they become available. You'll also receive an email letting you know that your results have been released.

You can [register](#) for the site at any point from when you receive your **Confirmation of Entry** from your exam centre; you do not need to wait until after the exam. You will need the **ID number** and **Secret number** shown on your Confirmation of Entry in order to register.

Results for paper-based exams are generally released around four to six weeks after the date of the exam.

How to register

Before using the service, you will need to **REGISTER** and create and **SAVE** a password. Please see the guide below for details on how to do this.
