

Cambridge English First

First Certificate in English (FCE)
CEFR Level B2

Understanding the Statement of Results

Your Statement of Results gives you two main pieces of information:

1 Overall score

This is your overall Cambridge English Scale score for the whole exam. It is the average of the five individual scores that you receive for the four skills and Use of English. This is the most important piece of information.

2 Individual scores

You will be given a Cambridge English Scale score for each of the four skills (Reading, Writing, Listening and Speaking) and Use of English. With these individual scores it is easy for you to see how you performed across the exam and if you need to improve in any of the skills.

You will also receive a CEFR level and a grade for the overall exam. These are also shown on the Statement of Results.

For more information on the Cambridge English Scale, go to: www.cambridgeenglish.org/cambridgeenglishscale

Certificate

As well as a Statement of Results, everyone who achieves a score of 160–190 will receive a First Certificate in English. If you score between 140 and 159, you will receive a Cambridge English certificate stating that you demonstrated ability at CEFR Level B1.

The certificate will show your overall score on the scale, individual scores for each skill and Use of English, CEFR level and grade.

What is the CEFR?

The Common European Framework of Reference for Languages (CEFR) is an international system that describes learners' abilities in a foreign language using six levels, from A1 (the lowest) to C2 (the highest). All Cambridge English exams are developed in accordance with the principles and approach of the CEFR. This makes it easy for employers, schools, universities and other institutions to find out whether your English is at the right level for them by looking at your certificate or Statement of Results. You can find out more about the CEFR at www.cambridgeenglish.org/cefr
